

# 100 Positive Women

We are looking for 100 Positive Women to fund and mentor our young ladies. The **Bessie Morris Foundation** is seeking the support from friends, colleagues and businesses, by asking for your donation for our annual fundraiser:

**“100 Positive Women Campaign and Mentor Program,  
Women Who Make a Difference in the Lives of Others”**

It is our goal to raise \$7,000 by having 100 women of the community donate \$70 each. The money raised will fund the **Bessie Morris Foundation** for their fiscal year and will directly cover the cost of the “Prom Dream Program,” “Book Grant for College Program” and the “Young Lady, Reach for the Stars Conference.”

We would like to thank you in advance for your support.
